ePay for the Office of Amrane Cohen, Chapter 13 Trustee

ePay is an on-line system that allows you to tender your payments to the trustee on-line. You will benefit from using this system because:

The cost of the system may be less than the cost of purchasing cashier's checks or money order.

You can schedule when you make your payments - however you are still responsible for making your payments prior to the due date.

You will get e-mail confirmation that your payment has been tendered.

If there is any problem getting the funds from your bank account you will get notification the next day.

Payments will usually be posted to your case within two business days.

You can tender any tax refunds pledged to the plan through this system.

You must register an account to take advantage of this system. Registering is free and simple. It can be done on-line at your convenience. You may access the ePay system by visiting our web site: ch13ac.com and clicking on the ePay selection on the first page of the site.

You will be required to enter a transaction ID. In your case, your transaction ID is **1812466** followed by the last 4 digits of the social security number of person listed first in this report (if you have a joint case).

There is a fee charged by our bank for this service and that fee is charged to you directly by the bank. The fee is \$2.00 per payment.

We hope you will decide to use this system to tender all your payments to the office.
